

eScan Anti-Virus Security for Mac: Do I need to renew eScan for Mac?

Do I need to renew eScan for Mac?

The eScan for Mac product comes for 30 days trial period. Before the trial period expires you have to purchase the product, and after expiry of the purchased product you need to renew the product.

To renew, visit www.escanav.com/renew/, on the **Welcome to eScan Renewals & Upgrades** screen, type the license key. For further help, follow the instructions provided on the screen.
