eScan Mobility Management (EMM / eScan MDM): Can device enrollment email be sent via third party email servers?

Yes, you can send device enrollment email via third-party email servers.

For sending the same you need to have the below details

a. Email address that will be used to send the email.

b. Smtp settings of the domain.

c. SMTP Port number to be used.

d. Auth Username

e. Auth Password

Eg: For gmail

a. xyz@gmail.com

b. smtp.gmail.com

c. 465

d. xyz@gmail.com

e. Password for the account xyz@gmail.com

Note: eScan console currently supports port numbers 25, 465, 587
