# Registration and Activation: Do we need to activate all Microworld Products (eScan/Mailscan/X-spam)?

Yes.

Activation is required to be done on

eScan Corporate Server ===> Every eScan corporate server v9.0.x and above will ask for activation.

eScan Internet Security Suite (ISS) =====> Every eScan ISS/ISS home/ISS OEM v9.0.x and above will ask for activation.

eScan Antivirus (AV) =====> Every eScan AV/AV home/AV OEM v9.0.x and above will ask for activation.

Mailscan Products =====> Every Mailscan product v5.5a and above will ask for activation.
