

Miscellaneous: RPC Server un-available

RPC Server unavailable while accessing the terminal server through mstsc

If you face same problem then please add the New Dword Value in Registry with value 1 as follows, Or find the attached reg file and run on the terminal server.

[HKEY_LOCAL_MACHINE\SYSTEM\CurrentControlSet\Control\Terminal Server]

"IgnoreRegUserConfigErrors"=dword:00000001

Note :- By default this entry is not present.
